- (5) if netizen inserts a diskette containing (part of) her wallet into IAD diskette reader

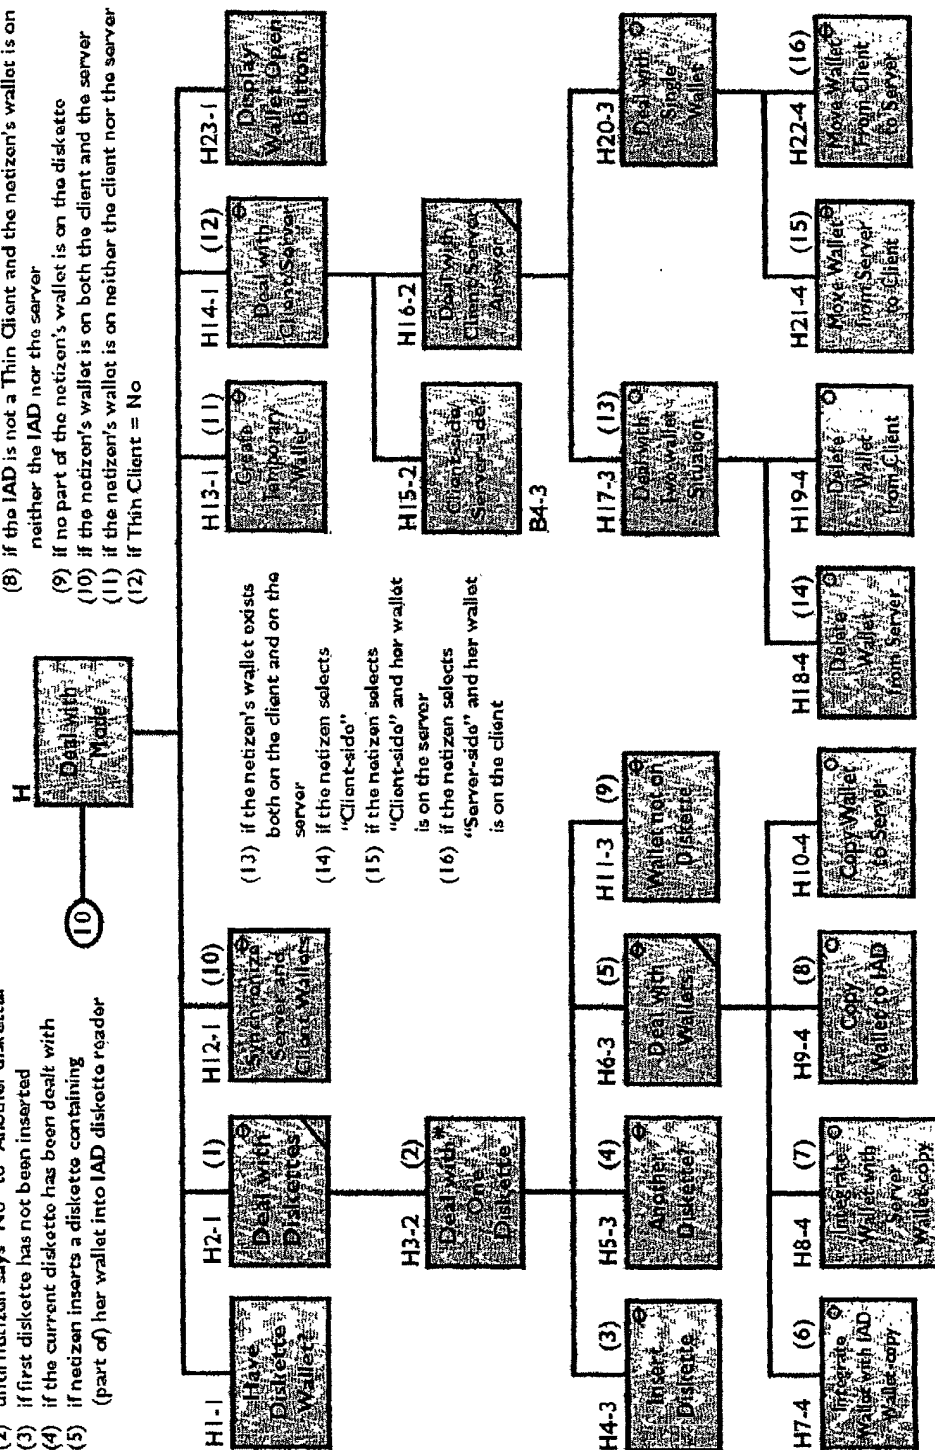

Figure 11

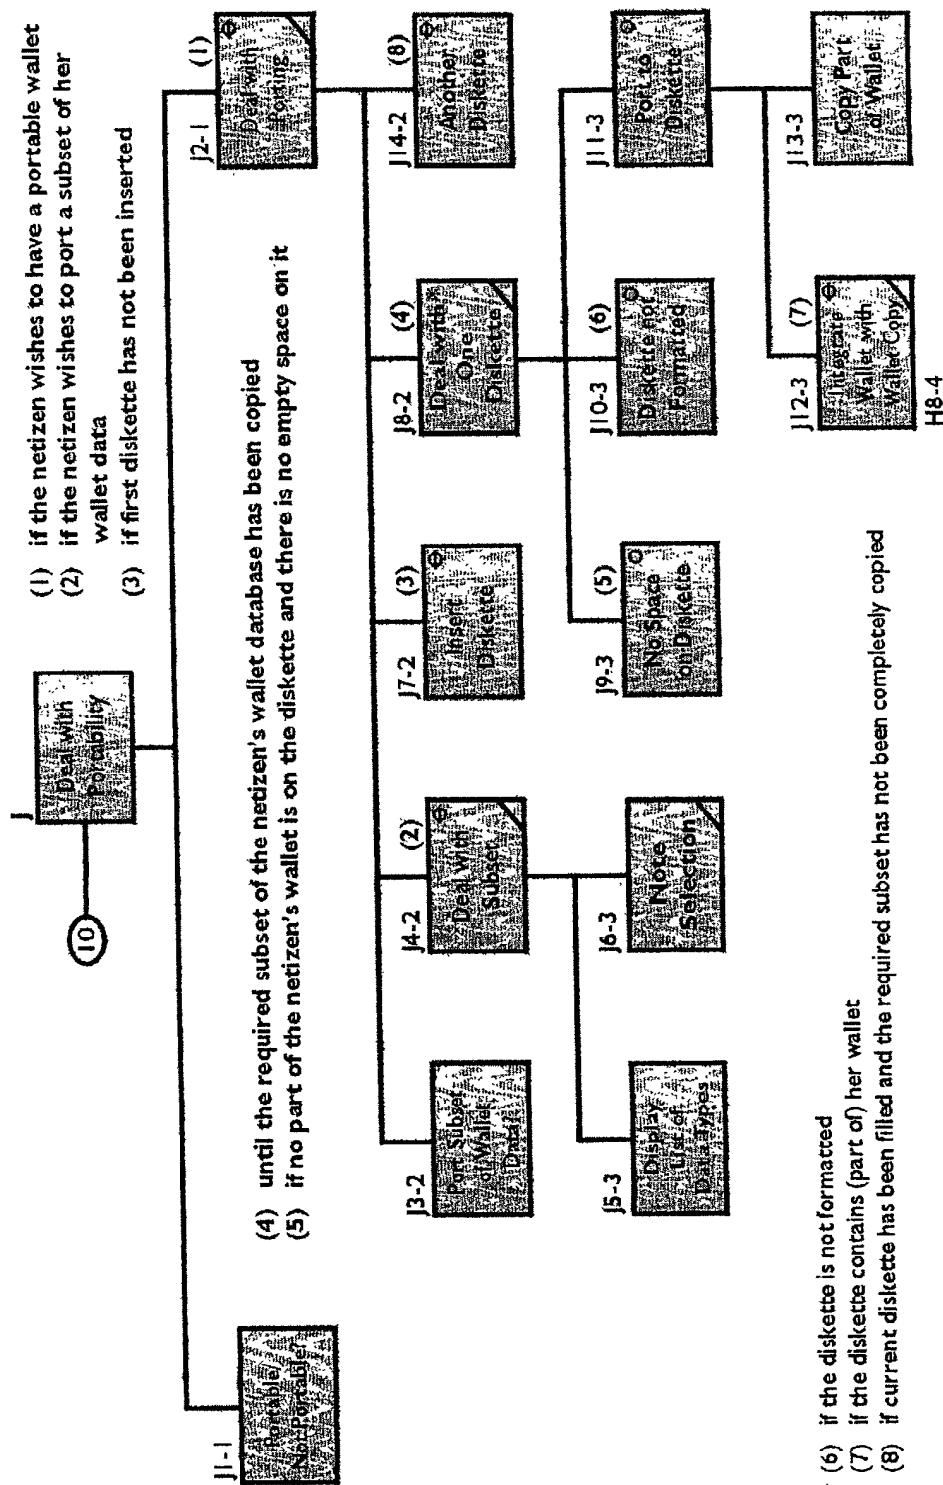

Figure 12

- (1) if the netizen is visiting a member site
- (2) if page code includes field labels
- (3) if the netizen clicks a field label button
- (4) if there is data for the field label in the wallet
- (5) if the netizen selects an item from the list

- (6) if the netizen selects "None of the above" or there is no data for the field label in the wallet
- (7) if the netizen clicks "Submit" and all mandatory fields have data
- (8) if the netizen is visiting a catalogue site

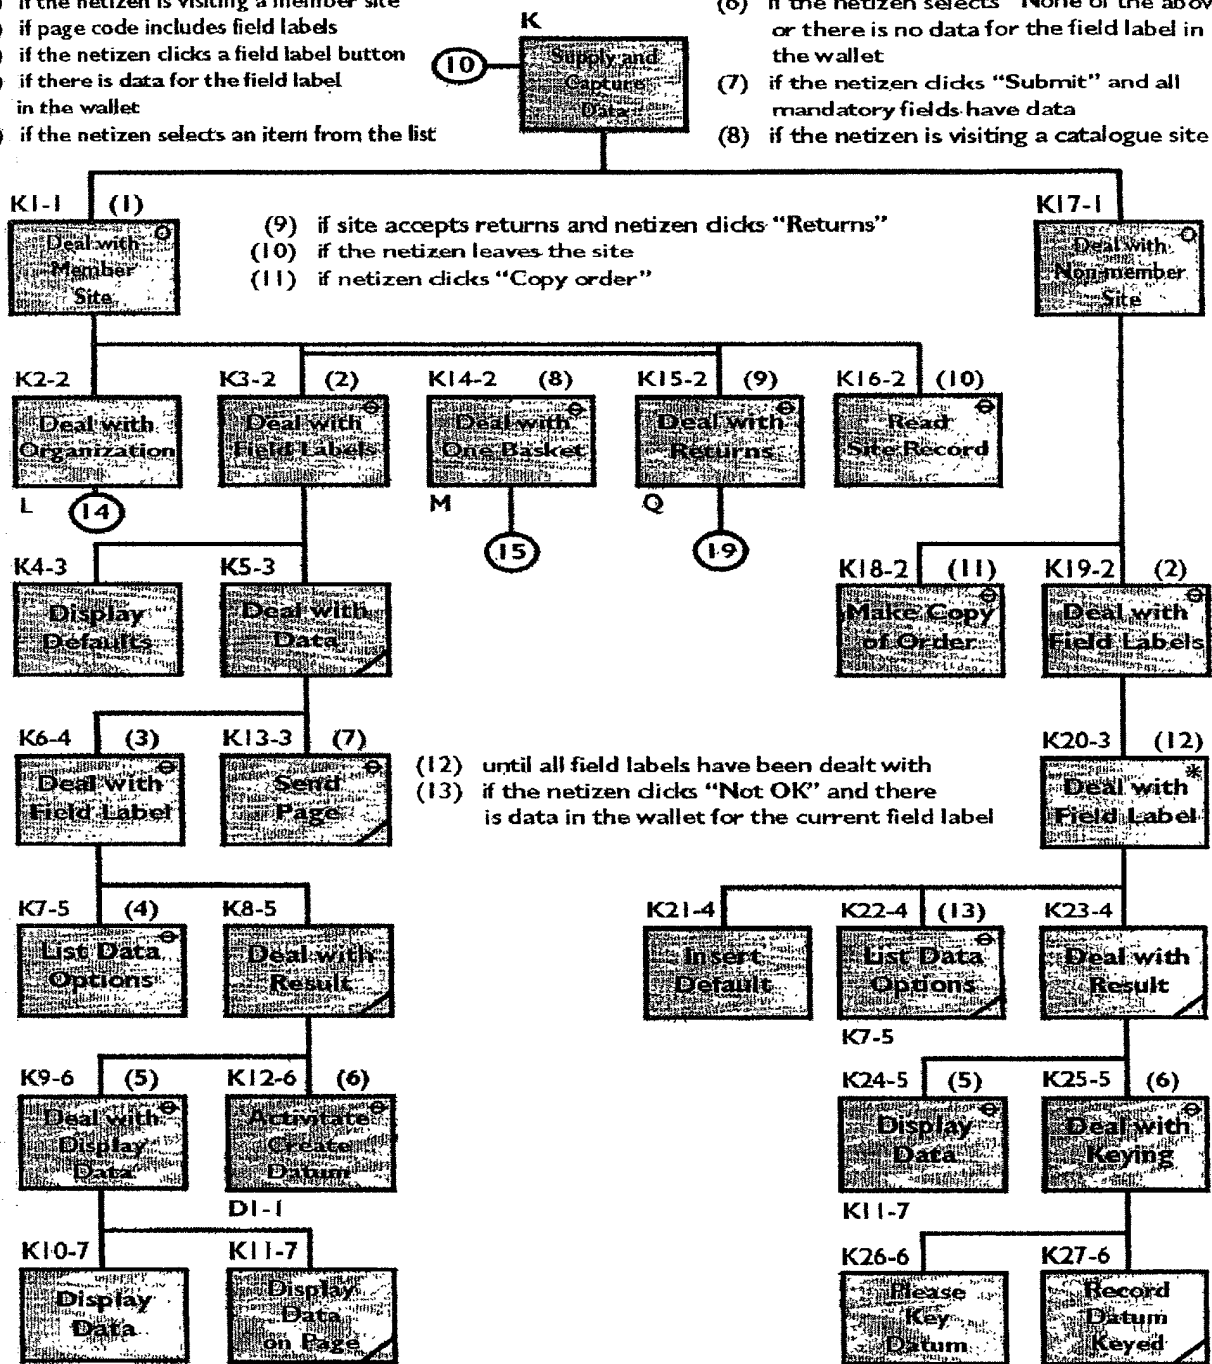

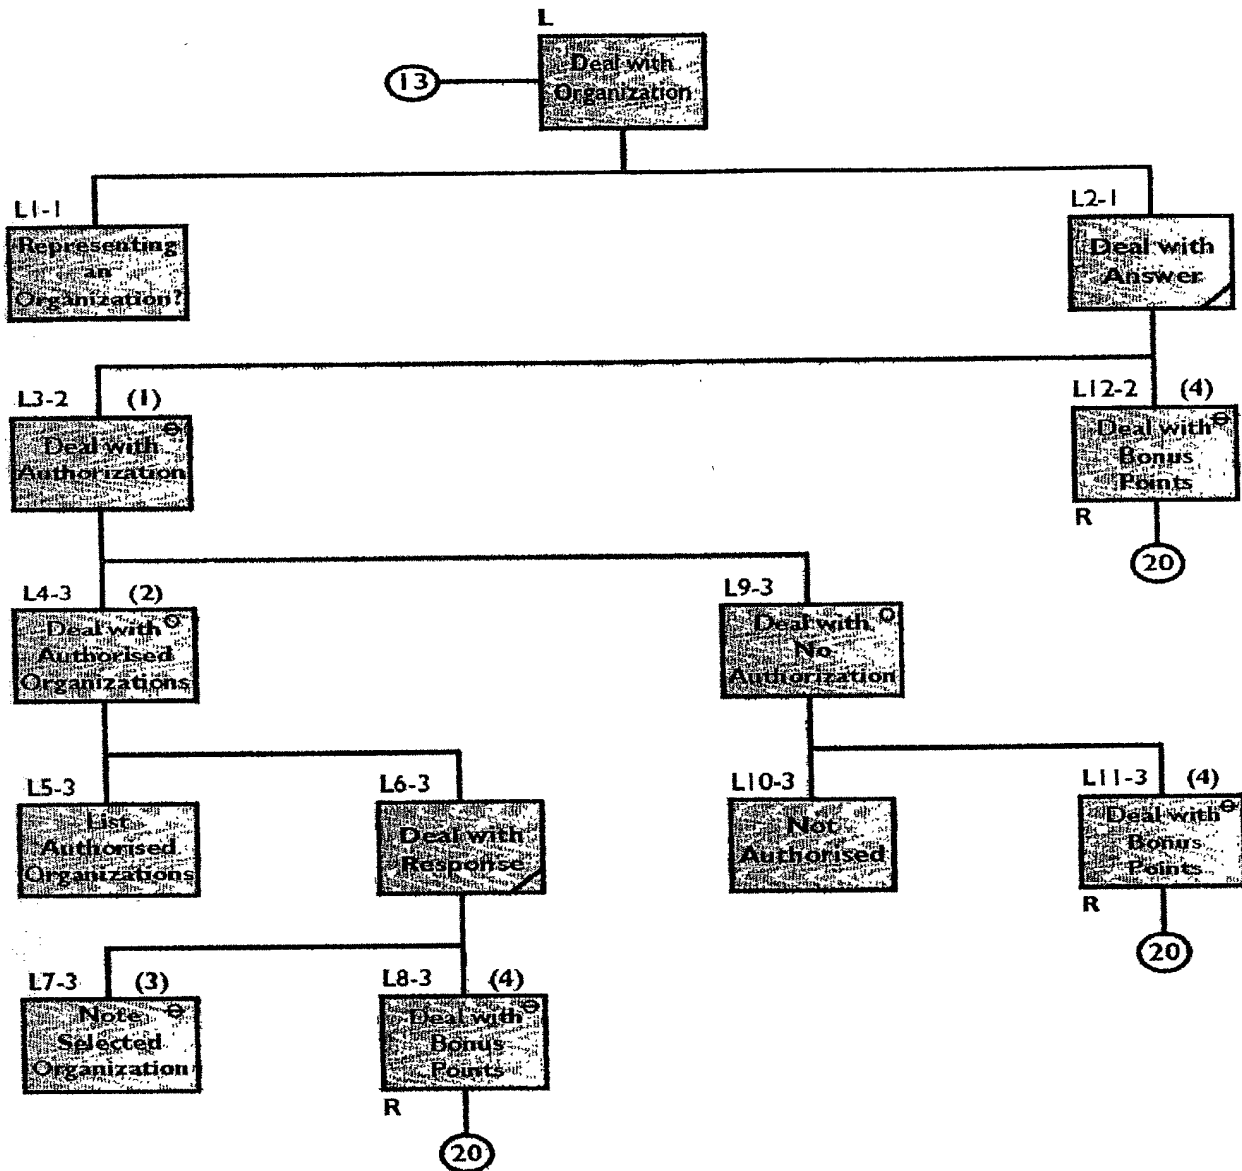

Figure 13

- (1) if the netizen answers "Yes"
- (2) if the site lists the netizen as authorized to represent any organization
- (3) if the netizen selects an organization
- (4) if purchasing is possible on the current site and bonus points are offered on purchases

Figure 14

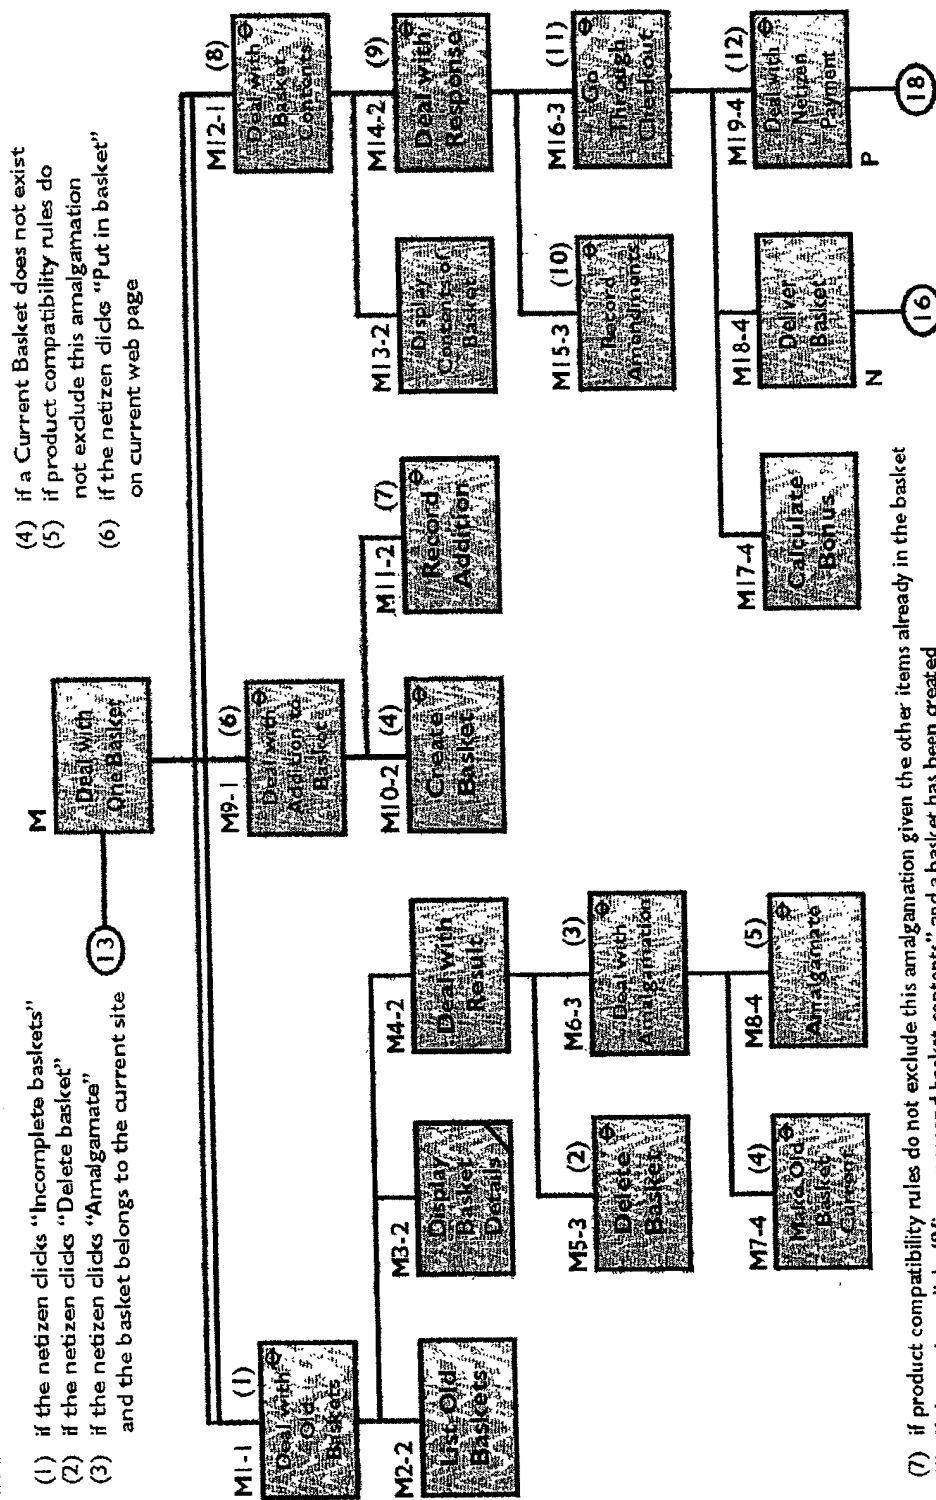

Figure 15

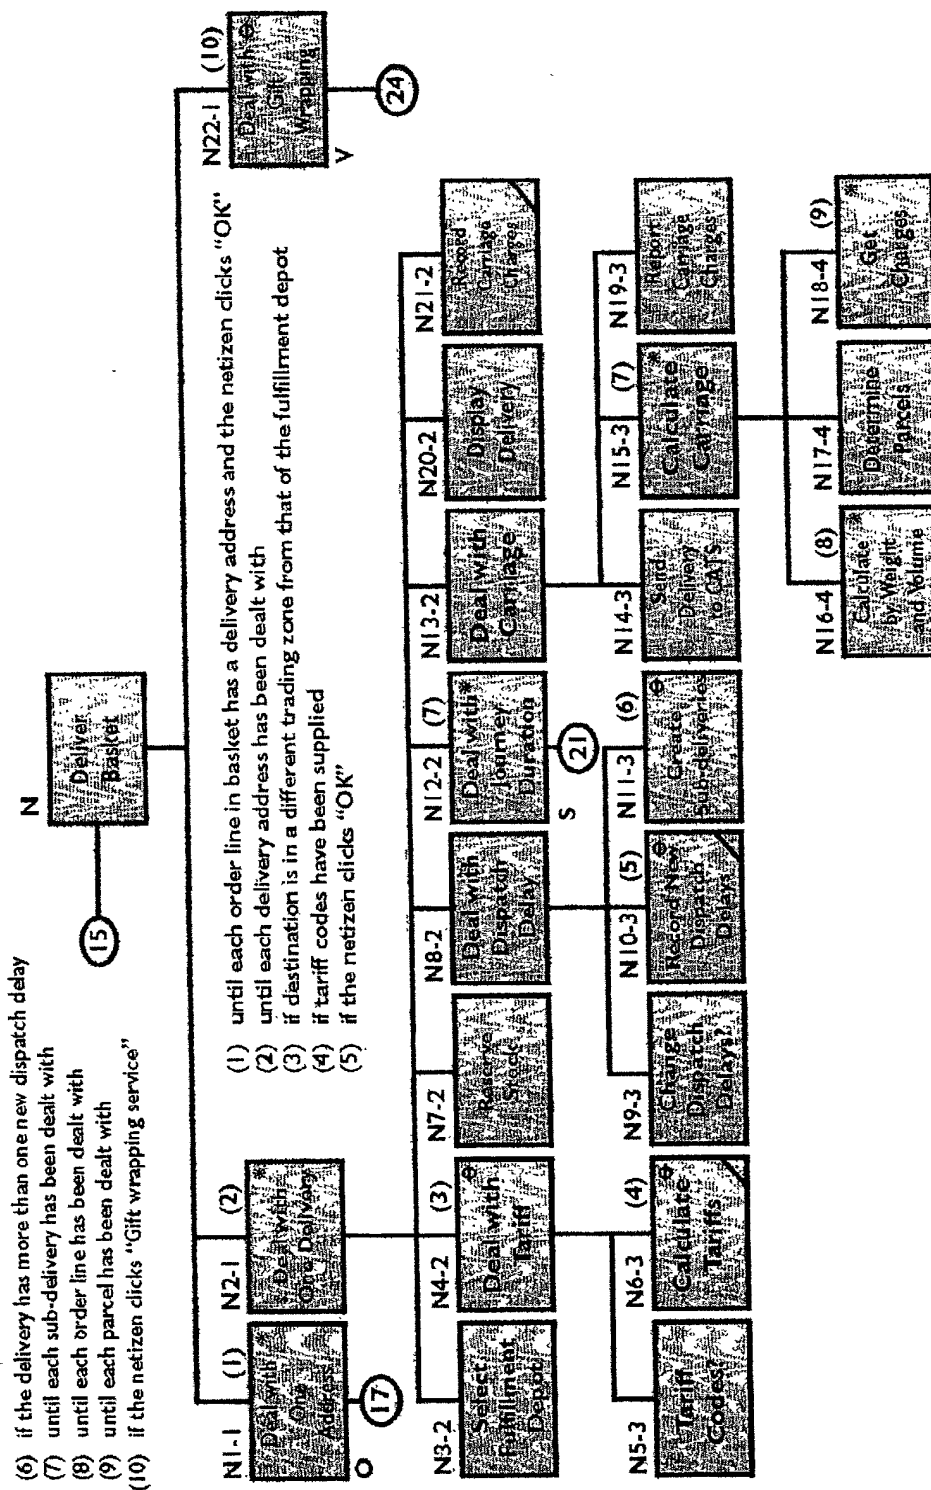

Figure 16

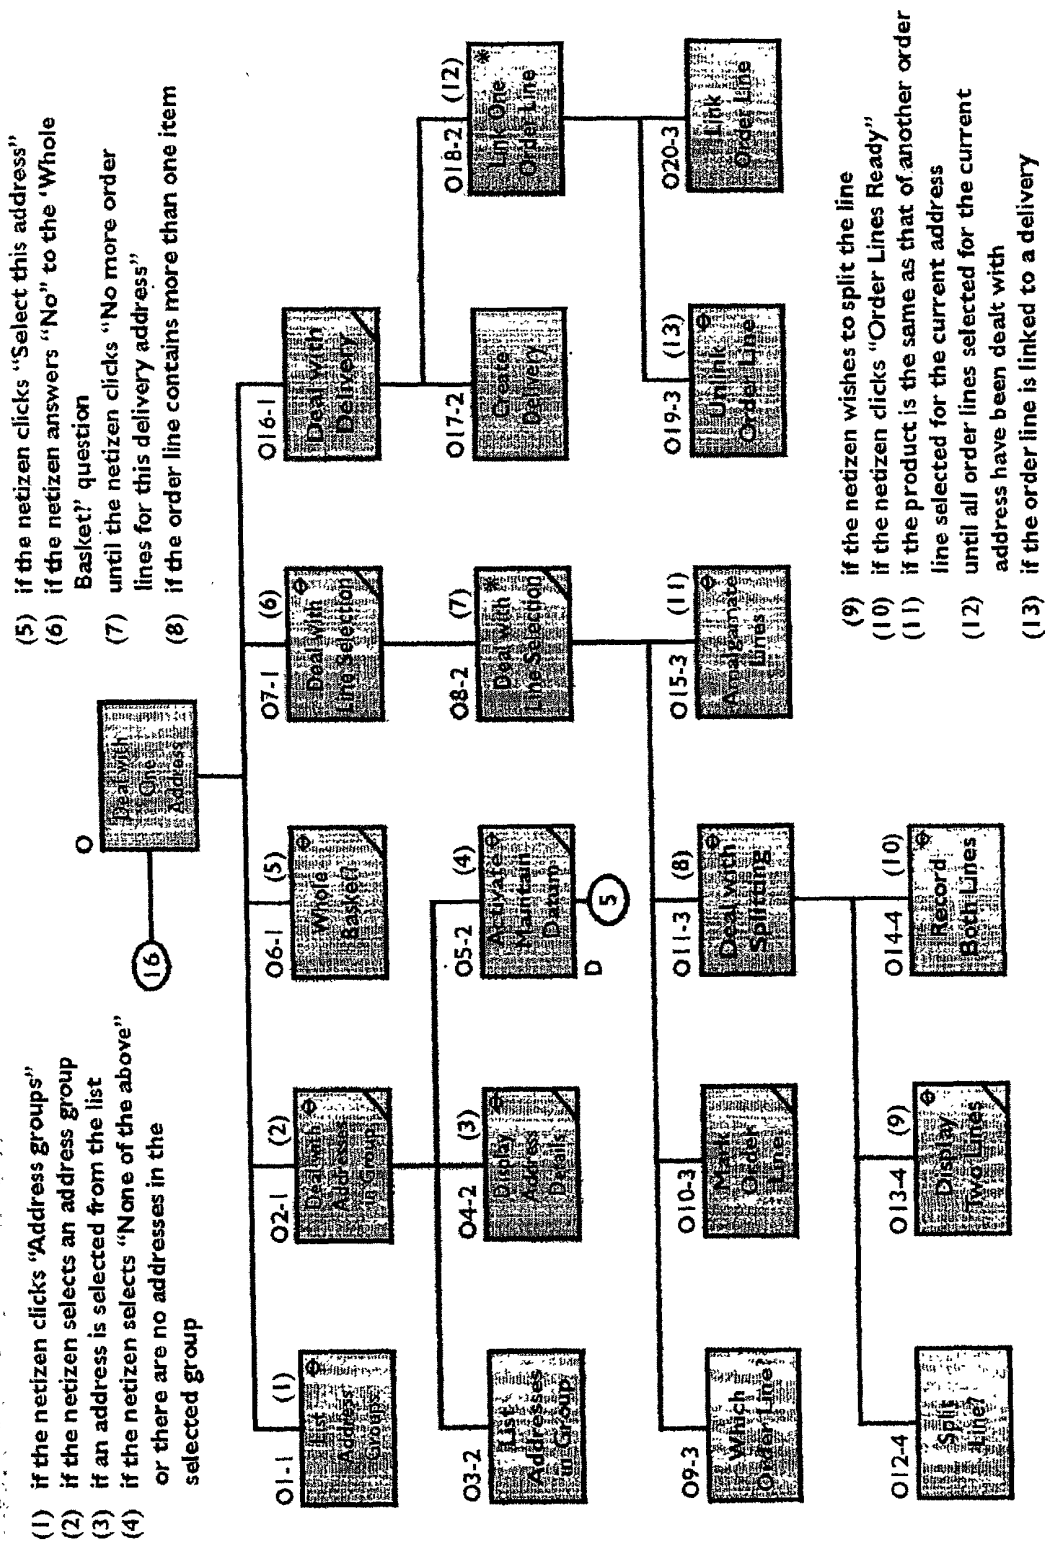

Figure 17

- (1) if netizen accepts any premiums quoted
- (2) if there is import duty
- (3) if the netizen wishes to pay the import duty
- (4) until the grand total for the basket has been paid
- (5) if the netizen is representing an organization

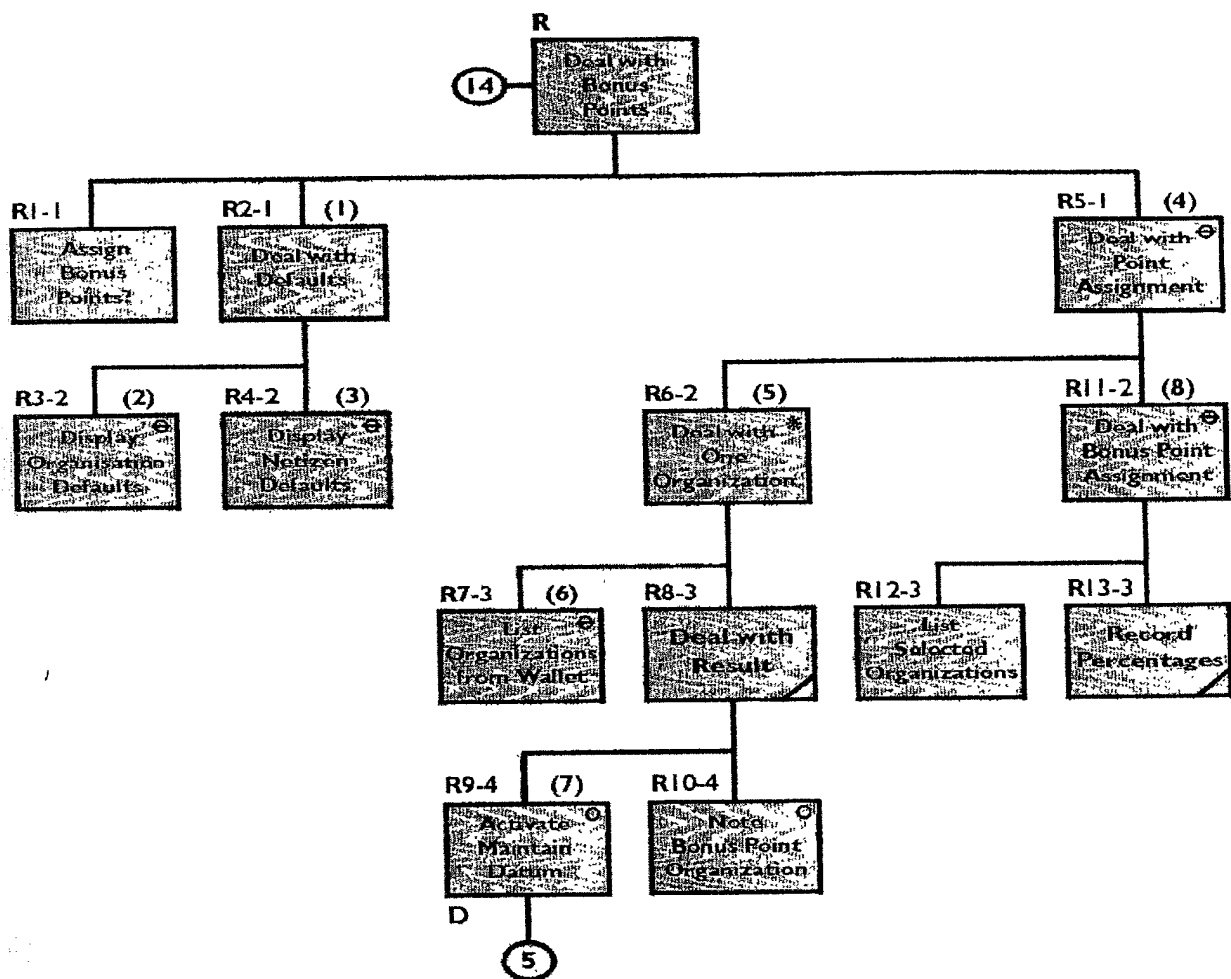

Figure 18

TOP SECRET

- (1) if the netizen clicks "Confirm Returns"
- (2) if the netizen clicks "Return Goods"
- (3) if the netizen clicks "Finished"
- (4) if the site supplies a Return Identifier

Figure 19

- (1) if the netizen answers "Yes"
- (2) if the netizen is buying on behalf of an organization and there are any default beneficiary organizations for it
- (3) if the netizen is not buying on behalf of an organization but has one or more default beneficiary organizations
- (4) if the netizen answers "Yes" to the R1 question and there are no default beneficiary organizations or there are some but the netizen does not want to use them
- (5) until the netizen clicks "No further organizations"
- (6) if there are any organization names within her wallet
- (7) if there are no organizations within the netizen's wallet or the netizen selects "None of the above"
- (8) if more than one beneficiary organization has been selected

Figure 20

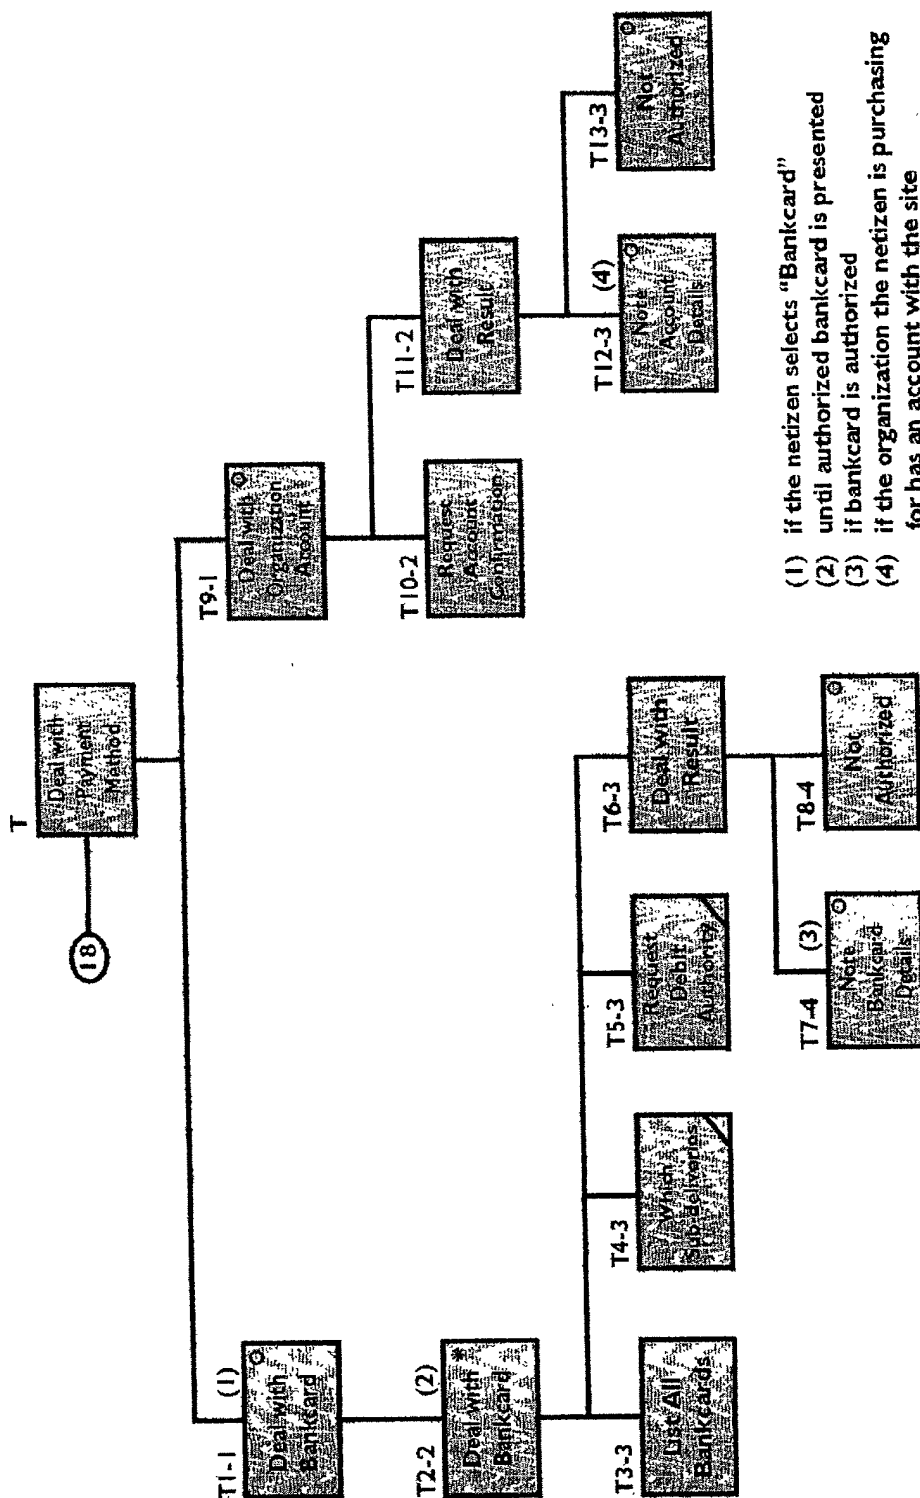

Figure 21

- (1) if the netizen selects "Bankcard"
- (2) until authorized bankcard is presented
- (3) if bankcard is authorized
- (4) if the organization the netizen is purchasing for has an account with the site

Figure 22

14-00000

- (1) if the registry site receives a dispatch file from a member site
- (2) until each dispatch has been processed
- (3) if bankcard details are held for the sub-delivery on the registry server
- (4) if the dispatch is insured against loss in transit
- (5) if a member site notifies the registry that it has received an invoice payment
- (6) if customs for a country enters a sub-delivery number, import duty is to be paid via the Internet, and it has not yet been paid

Figure 23

- (1) until the netizen clicks "No more gifts"
- (2) if the netizen answers "No" to "Whole Basket?" question
- (3) until each selected order line has a gift wrap charge
- (4) if the netizen clicks "OK" to accept one or more of the displayed gift wrap charges
